

FUN-draising from Home during Covid-19!

A-THONS: Walk, run, skip, spin, swim, rollerblade... You get the idea! Use your favourite sport or activity to collect donations and pledges, while maintaining a safe, social distance.

LAWN MAINTENANCE: Send an Email to neighbours, local stores, community parks or ask your parents if you can garden, shovel, pick weeds, cut grass or rake leaves in exchange for a donation. This is a great excuse to get outside, and Spring is a perfect time of year to do some yard work.

ITEM COUNT: Fill a jar with candy, coins, nails, screws or any other item, post a photo on your social media platforms, and have people pay to guess how many it took to fill it! If the jar isn't filled with something yummy (like candy) to win – be sure to have a prize to help entice people to play.

MERCHANDISE SALES: Create t-shirts, buttons, wrist bands, patches, calendars, recipe books, hats or other merchandise with your fundraising message, and sell them online at a competitive price. Make sure you remind buyers to sanitize whatever item(s) they purchase from you!

VIRTUAL COMEDY NIGHT: Gather a group of friends in an online group chat for a night of laughs, and charge a fee to attend. Ask the funniest people you know to participate in the event, and/or reach out to local comedians to join!
