# of People Educated Through Presentations	[No data collected].	[No data collected].	5,255	4,689	12,182
# of Countries Given Presentations	[No data collected].	[No data collected].	6 <i>(Brazil, Canada, Italy, Mexico, Nicaragua, United States).</i>	18 <i>(Canada, USA, Latin American countries, Italy, Bolivia, China, Australia, Micronesia, Bangladesh, Japan).</i>	7 <i>(Canada, USA, Taiwan, Mexico, Brazil, Saudi Arabia, UAE.)</i>

*As you can see above, donations from schools dropped noticeably in 2020. We recognized the difficulties schools faced in trying to fundraise while following COVID-19 protocols. Because of this, we have decided to end the previous requirement of having to sign up for the program, and have designated all donations received from schools directly towards the School Challenge, unless otherwise specified.
